JUN	VAH	DAVITA KRESGE/CAPD	ELECTIVE/CLINIC/CAPD	INPATIENT	DRH	HARPER/HUTZEL/KCI	TRANSPLANT	

We discourage taking Vacation overlapping two (2) months, i.e., end of the month and beginning of the following month. Vacation must be requested eight (8) weeks in advance. It is your responsibility to find coverage when you take Vacation. You also must remember to cancel all your clinics including transplant clinic eight (8) weeks prior to taking Vacation. Double rotations indicate clinic or procedure observation.
