MSR POLICIES

1. Take the post-rotation test.
2. 100% attendance for the MSR lectures.

➤ Exemption will be for scheduled days off, primary morning clinic, excused absences from the rotation. There are no other exceptions.

➤ We would **encourage** residents to avoid taking days off on MSR lectures days if feasible.

2. **Attendance of Residents: Residents must sign the attendance sheet, this is mandatory by the residency program. If an attendance sheet is not available, please take a progress note and have everyone sign in. You will be assumed absent if you do not sign in.**
3. **POLICY REGARDING SECOND CLINICS FOR RESIDENTS ROUNDING IN NEPHROLOGY (AS SUGGESTED BY INTERNAL MEDICINE PROGRAM):**

Residents are **not** allowed to attend a second clinic on floor months, but if the rotation is light, then the res and Nephrology fellow on service can use their discretion about whether or not they can do them.
